CORPORATE COMPETENCIES

WHO ARE WE

Founded in 2009, TwoTech Inc. is an Economically Disadvantaged Woman-Owned Small Business (EDWOSB) headquartered in the heart of the National Capital Region. We specialize in providing innovative information technology solutions and management consulting services. Our team of strategists, IT subject matter experts, data architects and engineers, data scientists, and program managers, solve problems that can't be fixed by technology alone.

TwoTech is committed to excellence and creating innovative and flexible solutions for our clients. Our mission is to deliver value through quality customer centric products and services.
